CALLING ALL MEN IN THE CHURCH, AGES 15 & UP!
This one's for you guys! The men's ministry first meeting will be Sunday February, 27th following church.

All men in the church are welcome to attend and lend your talents and skills to inspire ideas on ways you can help the church or those in need both in the church and the community.

The Men's Ministry is intended to help those who have no one to help, to lend a helping hand to a family or person in need or to help with projects within the church.

A note from...

Pastor Linda

It's February! The month when we are reminded about love. God's word is full of scriptures about love. The love God has for us, the love we are to have for one another, and many other descriptions all on the subject of love.

This month I would like to mention the example of love that I have seen from so many of you in regards to the church and the ministries we have started.

I want to say thank you to everyone who has given a little extra time and money to help the church continue to grow.

The "Free Meal Sunday" has been giving meals to approximately 45-50 people a month. (this does include the ones helping in the kitchen) Many of these meals are given to those who are in our own community who don't attend our church but need a meal.

The "Fill The Gap" program although it's getting a slow start, has helped about 10 to 20 people. The generosity of those who donate items has been inspiring to see. Our shelves are full at the moment and we won't collect anything for the month of February.

For all the cooks and bakers, for all the items donated and for the offerings that were sent, Thank You!

The love you have shown in all these areas and others is something very inspiring to be a part of. You all have shown that we may be a small church but because of our willingness to allow God's love to work through us, we can accomplish so many things,

Blessings and Peace and much Appreciation for each of you,

Pastor Linda
