Isaiah 41:10

Fear not, for I *am* with you; Be not dismayed, for I *am* your God. I will strengthen you, Yes, I will help you, I will uphold you with My righteous right hand.'

There is a lot of fear going around these days. Some feel a deep feeling of anxiety and stress over the situation that our country and community are in. I would like to take this moment and remind you that God does have everything in His hands.

There are situations around us every day that we have no control over. In all of these things we need to remember that our faith is what carries us through times like this.

Perhaps you are worried about all sorts of things, big and small. We can worry about our health or the health of a loved one. We can worry about our finances if we are in a situation where our work has decreased due to this virus.

God knew we would struggle with fear and worry during times like this. He cares about every fear we face. I would encourage you to pray for this situation that we are facing. I encourage you also to take your fears to God in prayer.

He understands and He knows that we are human and we need Him to reassure us that He is in control.

I would also like to encourage you to take some time to read His word and seek the encouragement that He has placed there for us.

Blessings & Peace,
Pastor Linda

All Hands on Deck!

Jobs for All Ages!

The Women's Society has begun their chocolate egg making this month. All who participate in this sweet task do a lot of work, have a lot of fun, and learn a lot about each other.

It is an old-time gathering that is a wonderful pastime to involve the youth & give them memories of "I remember when" when they are running the church in years to come.

More than that, the money earned is thoughtfully donated by the Women's Society to causes important to our church community. This past year, they have contributed to the building of the storage room and donated to families in need. So please, schedule as much time possible in helping with egg making.

ONE GREAT HOUR OF SHARING
SPECIAL OFFERINGS
 HUNGER • DISASTER • DEVELOPMENT

March 22nd

When, disaster strikes, or resources are scarce, a future with hope can seem far away. In those times, our communities can act as sources of important support, embodying the love of the Holy Source of all hope and healing. Through the ministries of this church and through the ministries supported by One Great Hour of Sharing, we have the opportunity to be part of the hopeful future God is already bringing forth. Imagine what the future could be like when we join hands together across distance, cultures, and generations to invest in the growth God promises to bring. Let us invest our gifts in the future that we can build as co-workers in the kingdom of God
