

## *From the Pastor's Desk*

Greetings in the name of Christ!

Last Sunday we sang a hymn in church called "Here I Am Lord". A verse in this song says "I will hold your people in my heart". This phrase has been in my thoughts constantly.

I try to reach out through text, email, phone and visits as often as I can. However, this week as I was making phone calls to check up on some people, I mentioned that I was hoping to make sure everyone I was trying to check up on was ok. Someone sent the phrase back to me and said, "Everyone had each other's back." Each person I checked in with had already checked on another person. That statement showed how much Christ's love is in each of us and how much we do hold each other in our hearts. This lifted my spirits in a way that I am at a loss of words to express. What a wonderful feeling to know that we are all here to uplift, support and help each other. In these trying times we all need to hold each other in our hearts and prayers. I encourage you to reach out and show someone you are thinking of them and that you care.

I would also encourage each of you to check in with me when you can to let me know all is well or if there is a need. As I said, I do try to reach you all. Sometimes for many different reasons I simply don't get to everyone as I would like to. However, please be reassured that I do hold you all in my heart, thoughts and prayers all the time.

*Your servant in Christ,  
Pastor Linda*
