"Just as the body is one and has many members, and all the members of the body, though many are one body, so it is with Christ." 1 Corinthians 12:12

The month of October will mark one year that I have had the privilege of being your Guest Pastor. I would first like to say thank you to everyone who has made me feel welcome. Thank you to all who have encouraged me through this past year. Thank you to each of you who have let me follow the path that God asked me to follow.

During this year:

I have seen a strong commitment from this church to follow God and his word.

I have seen faith grow stronger.

I have seen the church family become closer.

I have seen many people step up and volunteer when called upon to help.

I have seen the church become a stronger more dedicated body of believers.

We may not know yet what God's will is for the coming year, but I know that as long as the body of the church continues to grow in faith and it's desire to follow the will of God, He will continue to bless the church.

So here we are, one year later and still growing together in the Lord. It is my prayer that each of you takes a moment alone with God and asks Him for His direction for the church and your own personal involvement in His continuing work.

Blessings and peace to each of you,

Pastor Linda
